Corporate Offering

Our multidisciplinary team helps families and family-owned businesses establish and manage family offices, create trust and estate structures, manage investments, handle mergers and acquisitions, navigate complex tax issues, overcome day-to-day legal issues, and prepare for succession and exits when the time is right.

Mergers & Acquisitions

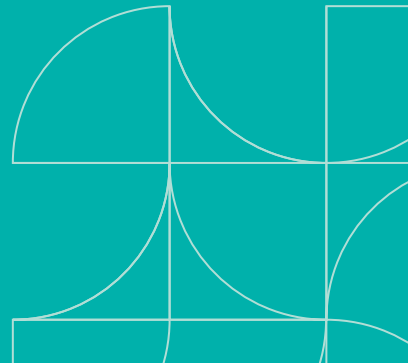

Our M&A team has been engaged in more than 200 transactions across a diverse range of industries over the last two years. We frequently assist family-owned businesses and family offices with mergers, acquisitions, debt financing, and equity investments in portfolio companies.

Investing

Family offices have become major players in the investment landscape. Seyfarth has decades of experience providing innovative legal counseling with respect to nearly every conceivable type of investment in leading global markets. We help family offices with investments in technology and emerging companies, family office-funded incubators, private equity, and hedge funds.

Impact & ESG

Seyfarth's cross-disciplinary, global ESG team assists companies driven by or responding to stakeholder capitalism, impact companies, and B corporations through a variety of ESG issues and contexts. Our holistic approach provides a full range of services across the ESG landscape.

Tax-Exempt Entities

Seyfarth counsels a diverse group of tax-exempt and nonprofit organizations, including family trusts and private foundations.

Our Tax-Exempt Organizations attorneys have extensive experience with program-related investments, mission-related “impact” investing, and advising private foundations in their grant-making and investments, including when co-investing with family office funds.

We assist families in developing foundation boards and junior boards to encourage family dynamics and engage the next generation in philanthropy, crafting complex grant agreements, and charitable gift planning in advance of expected capital events, including the sale of a business.

Trusts & Estates

Our Trusts & Estates attorneys have prepared thousands of estate plans and administered countless trusts and estates, giving them broad experience and insight into the complex and sometimes conflicting matters faced by families and family offices.

We provide a wide range of legal services regarding tax and wealth transfer planning, administration and distribution of trusts and estates, fiduciary duties of trustees and executors, and family philanthropic planning.

As part of a full-service global firm, our team is able to draw upon experienced lawyers and provide targeted services across a number of areas that often impact family-owned businesses and family offices, including:
